

Introducing Spiced Pumpkin Roll

Chilly evenings, crisp breezes, and that first golden leaf might signal the beginning of fall, but nothing makes us want to break out the cozy flannel and head to the fire pit quite like the appearance of pumpkin flavored... well, everything. Our Spiced Pumpkin Roll cream liqueur is our special take on the season's flagship flavor. We've elevated the basic pumpkin spice vibe with a delicious toasty nutmeg and cinnamon-forward taste: a match made in heaven for smooth Tennessee whiskey.
